

## REFLECTIVE INSULATION

## Manufacturer's 10-Year Limited Warranty

(Effective January 1, 2017)

### Products covered under this Warranty:

VerSola™ Aluminum Single Bubble Aluminum Insulation  
VerSola™ Aluminum Double Bubble Aluminum Insulation  
VerSola™ Aluminum Single Bubble White Poly Insulation  
VerSola™ Aluminum Double Bubble White Poly Insulation

### Warranty Coverage

All VerSola™ Reflective Insulation products are rigorously tested and manufactured to the highest industry standards for quality and consistency. **Subject to the conditions below, Kennedy Insulation Group warrants that its VerSola™ Reflective Insulation products will be free of non-conformity and, under normal atmospheric conditions, will not exhibit any delamination, deflation, decomposition, or other defects in material or workmanship for up to 10 years from the date of original purchase.** Written proof of purchase, purchase date, and possession of original product label(s) by the claimant is a condition precedent to any warranty coverage.

### Remedies

In the event of any non-conformity covered by this warranty, Kennedy Insulation Group, at its option, will repair or replace the defective material with new VerSola™ Reflective Insulation. If repair or replacement of the product is not commercially practical, Kennedy Insulation Group may elect to refund the original purchase price. The customer is responsible for all other related costs, which may include, but are not limited to: labor charges for removal and reinstallation of replacement product; additional handling and disposal charges; equipment rental, permits, and other incidental expenses.

### Limitations, Exclusions and Disclaimers

The Limited Warranty does not include or cover, and specifically excludes, any costs, damages or expenses associated with the repair or replacement of the non-conforming product, or damage to or loss of use of any product, building component, property or profit. Other limitations and exclusions apply as noted below.

This Limited Warranty is not an insurance policy. Check your local building codes, or consult a qualified local specialist, for proper product selection and compliance prior to installation. **Kennedy Insulation Group shall not be liable for any damage or product failures caused in whole or in part by any of the following:**

- Misuse or improper handling during transportation, handling, storage or installation.
- Traffic and/or storage of materials on the VerSola™ Reflective Insulation product.
- Improper installation, use, or maintenance that is not in accordance with Kennedy Insulation Group's written instructions.

- Lack of proper or adequate design, engineering or construction of the building or building system.
- Installation in atmospheric conditions or physical environments that degrade the raw materials.
- Use in any building or facility where exposure to or the potential release of chemicals, gasses, excessive temperatures, mechanical abrasion or other variables can adversely affect or degrade the product or its polymer facing.
- Use of the product where it is exposed to sunlight or the outdoors, including use in open-sided buildings, overhangs, lean-to structures, or anywhere where the facing material may be exposed to direct Ultra Violet (UV) light.
- Condensation or moisture through or around roofs, walls, equipment, building components or underlying materials.
- Structural movement, settlement, deflection, failure or movement of any supporting material or system.
- Natural disasters, including, but not limited to, floods, lightning, hail, excessive high winds, tornadoes, hurricanes, earthquakes, etc.
- Ordinary wear and tear, or any acts of improper use, negligence, abuse, misuse, or vandalism.

This Limited Warranty shall be in lieu of any and all other liabilities or warranties, whether express or implied, including any liability or warranty of merchantability or fitness for a particular purpose. This limitation applies even if the remedies provided for herein fail in their intended purpose. Under no circumstances shall Kennedy Insulation Group be liable for any incidental, consequential or punitive damages of any nature, including damage to the structure or its contents, or loss of time, or profits, or any inconvenience. Kennedy Insulation Group shall not be liable for any damages based upon alleged negligence, strict liability or any other theory of liability. There are no intended third party beneficiaries to this warranty.
